Picture 1

The image shows a stainless steel laboratory oven, model 1000/1000 by Eberleher. The oven is rectangular with a hinged lid that is currently open, revealing the interior chamber. The front panel is equipped with two large black control knobs, a red emergency stop button, and a power switch. A label on the front panel provides technical details: 1000/1000, 1000 W, 230 V, 50 Hz, 1.0, and includes a barcode. The oven is made in Italy, as indicated by the 'MADE IN ITALY' text on the label. The Eberleher logo is visible on the bottom right of the front panel.

A stainless steel industrial bain-marie, model 1000, featuring a large rectangular cooking pan. The front panel includes two black control knobs with red indicator lights, a small black switch, and a metal outlet. A yellow safety label with CE and warning symbols is affixed to the front. The brand name 'Deutscher' is visible on the bottom left.
