Technical information

Name	Twin coffee station
Code No.:	190152
Construction:	Plastic
Dimensions:	W 655 x D 330 x H 145 mm
Weight:	2.4 kg

Properties:

- The twin coffee station is ideal for the effective serving of drinks such as coffee or tea;
- suitable for all pump thermoses with a diameter to 19 cm;
- additional spacious compartments for cups, stirrers and accessories such as cream or sugar.

Accessories (contained in the set)

**2 removable trays
for dripping water, with lid**

**2 removable plastic inserts
to compensate for the height of the thermoses**

Optional accessories (not contained in the set)

The thermoses of the Bartscher company presented below are suitable for the coffee station:

190125

190124

Cleaning and care:

- The trays for dripping water should be regularly emptied and washed with warm water and a gentle cleaning detergent.
- The coffee station should be cleaned regularly with a moist, soft cloth, using if necessary a gentle cleaning detergent.
- **Never** use sharp cleaning substances which can scratch the surface.
- **Never** use corrosive substances.
- **Never** wash the coffee stand in a dishwasher.
