

| Pos. | Artikelbeschreibung      | Description of item      | Artikel Nr./Item No. |
|------|--------------------------|--------------------------|----------------------|
| 01   | Heizelement              | Heating Element          | E0X102501            |
| 02   | Anschlußkabel            | Power Cord               | E0X102502            |
| 03   | Ständer                  | Junction Stand           | E0X102503            |
| 04   | Fuß                      | Bottom Aluminum Pole     | E0X102504            |
| 05   | Gehäuse oben             | Top Aluminum Pole        | E0X102505            |
| 06   | Bodenplatte              | Weight Base              | E0X102506            |
| 07   | Deckel                   | Lid                      | E0X102507            |
| 3-08 | Gewindestange            | Screw rod                | E0X102508            |
| 09   | Gehäuse außen            | Mesh                     | E0X102509            |
| 2-10 | Reflektor                | Reflector                | E0X102510            |
| 11   | Platte unten             | Bottom Disc              | E0X102511            |
| 12   | Platte oben              | In-between disc          | E0X102512            |
| 2-13 | Pressklemme              | Lamp Pess Clip           | E0X102513            |
| 2-14 | Dichtung                 | Waterproof Ring          | E0X102514            |
| 15   | Halterung                | Tipover Switch Bracket   | E0X102515            |
| 16   | Zugentlastung            | Cable Fixation           | E0X102516            |
| 17   | Schalter,Kippschutz      | Tipover Switch           | E0X102517            |
| 18   | Schalter                 | Switch                   | E0X102518            |
| 19   | Rahmen                   | Switch Mount             | E0X102519            |
| 6-20 | Leitung                  | Duct                     | E0X102520            |
| 21   | Kabelbefestigungsplatte  | Cable Fixation Plate     | E0X102521            |
| 22   | Erdungsdraht Pressklemme | Ground Wire Press Clip   | E0X102522            |
| 23   | Halter                   | Press Clip               | E0X102523            |
| 8-24 | Schraubenmutter          | Screw Nut                | E0X102524            |
| 8-25 | Federscheibe             | Spring Washer            | E0X102525            |
| 26   | Schraubenmutter          | Screw Nut                | E0X102526            |
| 2-27 | Schraube                 | S.S Screw                | E0X102527            |
| 4-28 | Schraube                 | S.S Screw                | E0X102528            |
| 4-29 | Schraube                 | Screw                    | E0X102529            |
| 6-30 | Kreuzschraube            | Cross Shape Screw        | E0X102530            |
| 3-31 | Schraubenmutter M5       | M5 Screw Nut             | E0X102531            |
| 3-32 | Kreuzschraube (DM5)      | Spring Washer (DM 5)     | E0X102532            |
| 2-33 | Kreuzpilzschraube        | Cross Mushroom Screw     | E0X102533            |
| 5-34 | Sechskant-Kreuzschraube  | Hexagonal Cross Screw    | E0X102534            |
| 3-35 | Federscheibe (DM6)       | Spring Washer (DM 6)     | E0X102535            |
| 36   | Sechskant-Pilzschraube   | Hexagonal Mushroom Screw | E0X102536            |
| 37   | Rohr                     | Iron Tube                | E0X102537            |
